**What We Offer**

Our team is equipped and staffed to handle any and all general construction needs under NAICS code 236220 and associated NAICS codes.

Offering all general construction, including ground up projects, design-builds, renovations, additions, alterations and maintenance construction services.

Arkansas based local, 8(a), Woman owned, Certified Small Business Concern Company actively teamed with a large business concern.

Unmatched position of 8(a) certification merged with ample bonding capacity and wide-ranging past performance in construction projects both large and small.

We strive at every level to deliver projects on time in the most efficient manner with customer satisfaction being the top priority.

**Differentiators**

- ✓ Extensive Bonding Capacity through Zurich
- ✓ Vertical and Horizontal Construction
- ✓ Large Bandwidth
- ✓ Ability to provide completed projects on time, within budget, with excellence
